

WHOLESALE

TRUE LIFE PEPTIDES, MADE IN THE USA.

Manufactured in a controlled laboratory environment under industry-standard quality assurance procedures.

END-TO-END INFRASTRUCTURE FOR PEPTIDE PRODUCTION.

US-made, third-party batch tested. Every vial comes with full documentation and clean sourcing.

- **Batch Produced, Batch Tested**

Each run includes a certificate of analysis to verify ID, purity, and quantitation via HPLC/MS.

- **Manufactured in the USA**

Preferred by customers who prioritize domestic manufacturing and clean sourcing without customs delays.

- **Custom Production**

Pre-order custom blends, variants, and sizes. MOQs apply.

- **Quick Fulfillment**

Overnight shipping options available in the United States for inventory on-hand.

- **Dedicated Support**

Get answers about anything production-related directly from the lab.

All products intended solely for laboratory research. Not for human or animal consumption. Must be handled by qualified professionals.

PARTNER BENEFITS

Reserve production in advance, and gain access to state of the art, custom manufacturing.

- **White-Label Ready**

Request custom labeling with your design, lot numbers, and branding. Cap colors available on special order for a fully finished product.

- **Batch-Produced (COA Included)**

Every batch ships with its own Certificate of Analysis. Offer your customers complete transparency and product traceability.

- **Custom Production & Blends**

Don't see what you need? Custom orders are available for any compound or blend.

- **Dedicated Account Manager**

Direct Slack & SMS line to your dedicated rep. No tickets, just answers.

- **Short Lead Times**

In-stock products ship same day. For custom or manufactured orders, domestic US production ensures end-to-end lead times of just 7-10 days.

- **Full Production Control**

Take direct control over production timing, specifications, and volume. Scale up or down based on demand.
